

Kathy Razzano Real Estate

"Hello!" My name is Kathy Razzano and Welcome to my site. We're starting a new year and the Real Estate market is going strong and now the time to take advantage of the market. I will provide information and guidance to make this experience a joyful and happy time for your family. Please don't hesitate to call or email me with requests for information. I want to be available to you for whatever your Real Estate needs are. I want to be your Family Realtor for Life!

WANTING to BUY or Sell! Becoming frustrated and confused on what to do! Need some Guidance! No Worries, you've come to the right place. Buyers are out there, the builders are backed up 6-8 months so there are people who want to buy but not finding what they want. That could be your house. Maybe you would like to upsize to a bigger house. Give me a call! I will do a FREE Comparative Market Analysis on your home. You may end up with equity you didn't know you had. So call or email now and make an appointment to see exactly where you stand. I AM HERE TO HELP YOU FROM START TO FINISH! I know how stressful finding a new home can be, especially when you're trying to do it by yourself. That's why I will stay with you from start to finish and after. I want to be your "REALTOR" for Life. Whether you are moving just across the city, the state, and the country or yes, even the "WATERS" I can HELP!

I have several programs available to you. For more information on the programs below please feel free to contact me!

1. First Time Home Buyers
2. INTERNATIONAL BUYERS
